## MINISTRY OF COMMERCE AND INDUSTRY

## PUBLIC NOTICE

## IMPORT TRADE CONTROL

New Delhi, the 17th October 1955

**SUBJECT:**—*Import of Glazed Newsprint against quota licences for Printing Paper (Sr. No. 157-158/IV)—facility regarding—July-December, 1955 licensing period.*

**No. 63-ITC(PN)/55.**—Attention of Importers is invited to the entries appearing against S. Nos. 157-158/IV and S. No. 44/V in Section II of the current Red Book.

2. Certain representations have been made about difficulties in importing glazed newsprint for satisfying requirements other than those of newspapers. This question has been considered, and it has been decided that quota licences for printing paper falling under S. No. 157-158/IV will also be valid for import of *glazed* newsprint. It will not be necessary for the quota licences for printing paper to be endorsed to this effect. Clearance of glazed newsprint will be allowed by the Customs Authorities against quota licences for printing paper (Sr. No. 157-158/IV) on the authority of this Public Notice.

3. For the purpose of this Public Notice, newsprint having a surface-gloss of 40 per cent. and above on both sides, as determined by the Ingersoll Glarimeter, will be regarded as 'glazed newsprint'. Newsprint having surface-gloss of less than 40 per cent. on both or either side will be regarded as 'unglazed'.

Chief Contoller of Imports and Exports.
